The Top Thirty

MASS SHOOTINGS OF 2015

What is a "mass shooting?"

While there is no exact definition, for this infographic a mass shooting is defined as an act of gun violence in which *at least* **four people** are killed during an incident, including the shooter.

Data provided courtesy of GunViolenceArchive.org as well as news outlets (Dec. 20, 2016).

MASS SHOOTINGS BY STATE - 2015

In 2015, Texas (4 incidents) had the most mass shootings, followed by Georgia (3) and South Carolina (3).
